

**OREGON HEALTH
CARE ASSOCIATION**

OHCA promotes high quality care and services through professional development and effective advocacy in the shaping of public and private policy.

Why Sponsor an OHCA Education Workshop?

Partnering with OHCA to sponsor one of our quality education offerings is a great way to get exposure in front of a targeted group of people. Choose a specific topic or audience that is in line with your marketing plan!

For each sponsorship, you get the following:

- Company Name/Logo included on marketing materials for the class
- Introduce yourself & presenter(s) of the course
- One (1) 8 ½ x 11 info. sheet in class materials at the class you sponsor
- Ability to provide products w/your company's logo to attendees at the class.

Sponsor An OHCA Education Workshop

To connect your business as a sponsor of an upcoming OHCA Education Workshop simply fill out the payment information at the bottom of this page, including the title and date of the class you wish to sponsor.

These are some of OHCA's most popular ongoing classes:

ALF/RCF Administrator Training Course

This 40 hour course is an SPD requirement for ALL ALF/RCF Administrators to attend. Currently 95% of Oregon's administrator's take OHCA's course over other's available. This course attracts 15-25 people each class & the attendees range from administrators and health service directors to regional directors and corporate staff.

Person-Centered Dementia Care

This 3 day course is designed for those individuals who are currently working for a dementia specific property in development or an established dementia specific property looking to revamp their current programming. This course attracts between 12-20 owners, operators & administrators.

The Role of the Nurse in Community Based Care

Attracting 15-35 nurses per class, this 3 day intensive orientation to the role of the nurse in community based care will benefit both new and experienced assisted living and residential care nurses.

Effective Pain Management

This training explores the barriers to pain management and focuses upon the nursing process to help achieve effective pain management for patients/residents. Classes range from 15-30 attendees from all types of long term care settings.

Ready or Not, Survey Happens

Participants will understand how to proactively create a survey management program for their community. Quality improvement tips and tools will be shared and the participant will leave this workshop with their own "survey file" and survey readiness action plan.

Health Services Courses

OHCA is top in long-term care education! We hold more than 3-8 one-day inservices on varying topics in various locations around Oregon *per month!* Attendance ranges from 15-45 participants; Administrators and nurses to front line caregivers in all care settings attend these classes.

See all upcoming classes OHCA has on the Calendar at www.ohca.com by clicking on [See All Workshops](#) on the home page under the listings of upcoming workshop.
