

Save the Date!

Chaos or Coordination?

An inter-professional, collaborative learning opportunity for care & case management professionals serving older adults and people with disabilities.

Skilled Care Coordination and Case Management are critical for positive client outcomes. The field is rapidly evolving to meet increasing demand and new requirements. Let's come together across the Portland Metro area to share our experiences, learn together and identify potential improvements.

Thursday, February 1, 2018

Souther Auditorium

Providence St. Vincent's Medical Center
9205 SW Barnes Road, Portland, OR 97225

8:00am-5:00pm

(continental breakfast & lunch included)

Space is limited; we encourage organizations to designate key staff to share content with co-workers; CEUs are pending; a modest conference fee will cover meals & materials; some scholarships available.
