

# MEMBER BENEFITS

AHCA/NCAL is the largest organization representing long term and post-acute care providers, with a robust membership of more than 14,800 facilities nationwide. Backed by decades of experience on Capitol Hill, AHCA/NCAL leverages ongoing relationships to advocate with members of Congress, their staff, and government agencies on critical payment, oversight, regulatory, and quality issues. The Reimbursement Policy and Market Strategy Team helps members deliver quality care by offering smart policy solutions that enhance quality health care delivery, focusing on important long term care issues, including Medicare, Medicaid, managed care, population health, and provider networks.

## The National Quality Award Program

AHCA/NCAL recognizes members for delivering high-quality care through the National Quality Award Program, which is based on the core values and criteria of the Baldrige Performance Excellence Program. The program features three award levels—Bronze, Silver, and Gold—each setting progressively higher performance standards. As organizations advance through these levels, they continuously enhance the quality of care and services they provide.
